Turnover 2018

19,722,000

2017:

17,525,000

2016:

21,475,000

VEI is the world's leading promotor and implementor of WOPs. Since 2004, VEI has developed into an effective organization providing water services for millions of people in Asia, Africa and South-America.

VEI is firmly rooted in the Dutch water sector. Five Dutch water operators - Vitens, Evides Waterbedrijf, WML, Waterbedrijf Groningen and Brabant Water - share their expertise internationally through VEI.
